To those of you who have not yet signed up and wish to do so, you may email me your 16 digit number. If you do not mind, please check all cards in your family and if the numbers are different, let me know and I will sign everyone up.

To the left and to the right of the bar code, there is a small number example (4 0000 000000 6)

Looking for an easy way to support the ministry at Camp Pecometh?

Instead of automatically using Google or some other search engine, use www.goodsearch.com when you are looking for information on the internet. Better yet, make it your home page. On the first inquiry you will need to answer the question, "Who do you Goodsearch for?" Type in "Pecometh." Pecometh (Centreville, MD) will appear. You can also support Pecometh by shopping on line through "Goodshop." Just click on the link on goodsearch. This is an easy way to support Pecometh, but it will depend upon many people to make use of it. Each search brings about a penny. Goodshop will support us with up to 37% of each purchase.
